

GUIFileSettingBuilder

```
classDiagram
    class GUIConfigFileSettingBuilder
    class GUIFileSettingBuilder
    GUIConfigFileSettingBuilder --|> GUIFileSettingBuilder
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'GUIConfigFileSettingBuilder'. A blue arrow points upwards from this box to a gray box labeled 'GUIFileSettingBuilder' at the top. This indicates that 'GUIConfigFileSettingBuilder' inherits from 'GUIFileSettingBuilder'.
